

2018 GRANT APPLICATION POLICY

DEADLINE FOR SUBMITTING GRANT APPLICATIONS CLOSED ON APRIL 20, 2018

Pink Alliance serves as the Brazos Valley's advocate for breast health and cancer support by providing reliable, informative resources; inspiring hope through individual and group support; and offering access to medical treatments for those with limited means. Pink Alliance hosts an annual community breast cancer awareness luncheon, Surviving & Thriving, each October which celebrates cancer survivorship and furthers breast cancer awareness efforts. Proceeds from Surviving & Thriving and other Pink Alliance fundraising events serve to fund the organization's annual grant program.

Pink Alliance is accepting applications for breast health and cancer support grants of up to \$30,000 for programs and initiatives that will support the organization's mission of providing informative resources and offering medical treatments to those with limited means in the Brazos Valley.

The 2018 Pink Alliance Grant Initiative will consider funding requests to support effective, established programs, or to help launch innovative, new programs.
